You have signed up for a Blackboard course at University of Alaska Fairbanks.

To complete this course you will need an internet connection and a graphic web browser such as Firefox or Safari. Please note: Blackboard DOES NOT work well with Internet Explorer. Blackboard works best with the Mozilla Firefox Browser. Please visit www.mozilla.com to download the latest free version.

Getting Started

1. Go to http://classes.uaf.edu
2. Click the Login button
3. Enter your UA username (usually the initials of your first and middle names and then full last name. ex: TASMITH)
   Enter your AuthServ password (same as MyUA)

COURSES TAB
Click here to go to your courses and course search

MY COURSES
All courses you are enrolled in will show in this list

CONTENTS
Customize how Announcements, Calendar, Courses, or Tasks appear on your Blackboard home page

LAYOUT
Select the placement of your content and change the color scheme

Some online courses have weekly deadlines. Don’t procrastinate! Log in right away for more information about the requirements of your course.

Having technical problems? Include the following:
Email the OIT Help Desk at helpdesk@alaska.edu
or call 907-450-8300 in Fairbanks, 1-800-478-8226 outside the area
1) your name
2) your username (no password)
3) course CRN or course ID
4) the problem

For general, non-technical questions contact CDE at distance@uaf.edu
